Dear Karen;

We are pleased to re- file this "Notice of Intent" on behalf of our Client: Polsky DDS & Virk DMD, MS, PS, to convert an exempt Ambulatory Surgical Facility, currently under construction, in the **southeast King planning area**. The facility, if approved, will operate as **VP Surgery Center of Auburn.**

Presently, our client is building an exempt facility in conjunction with their dental practice operating as **Kids Choice Dental.** The new facility is located at 1002 15th St SW, Suite 200, Auburn, WA 98001.

The planned facility commenced construction on August 7, 2011 and is now in it's first month of operation.. We expect the facility will be licensed by the State of Washington and surveyed/certified for participation in the Medicare program soon thereafter.

We expect the total Capital Expenditures associated with this project to total **$2,135,000.**

During the course of this application and any subsequent hearings, please do not hesitate to contact me at our office, 360.736.0928.

Sincerely,

Kevin McHugh,
Project Consultant
