Dear Ms. Sigman

Mira Vista Corporation is submitting this Letter of Intent to file an application for a Certificate of Need to develop and build 36 nursing home beds which will be an addition to our existing licensed facility, Mira Vista Care Center.

Per WAC 246-310-080, the following information is being submitted in support of this Letter of Intent:

Services Provided: The additional 36 beds will be dual certified for Medicare and Medicaid and will provide general skilled nursing and post-acute levels of care.

Estimated Project Costs: $3,600,000.

Service Area: Skagit County

This project may be subject to concurrent review. If no other applicant seeks the bed need allocation that would be used by this project we ask that the project be individually reviewed.

Truly Yours
