RE: Notice of Timely Renewal WN-I0508-1

Dear Mr. Cannon:

Enclosed is your notice of timely renewal. This notice allows your facility to continue operating under your current radioactive materials license WN-I0508-1, Amendment 37, until the department has completed the renewal process of this license. Additionally, the terms of this notice apply to all air licenses issued in accordance with License Conditions 11 and 31 of WN-I0508-1, Amendment 37.

If you have any questions or concerns regarding this notice, please feel free to contact Kristen Schwab or myself.

Sincerely,

Mikel Elsen, Supervisor
Waste Management Section

Radioactive Materials License

License Number: WN-I0508-1
Amendment No. 37

Perma-Fix Northwest Richland, Inc.
Curt Cannon, Radiation Safety Officer
2025 Battelle Blvd.
Richland, Washington 99354

Attention: Curt Cannon
Radiation Safety Officer

NOTICE OF TIMELY RENEWAL

In accordance with WAC 246-235-050, your application received April 28, 2016 is considered adequate as a timely request for renewal. Therefore, your existing license number, as shown above, will not expire until the department has made a final determination regarding the application.

The reviewer assigned to your license is Kristen Schwab, who can be reached by phone at 360-236-3244, or by email at kristen.schwab@doh.wa.gov. If you have any questions regarding this renewal, please contact either myself at 360-236-3241, or Kristen Schwab.
