Policy

1. A patient may be admitted to the hospital only by members of the Active Medical Staff. All providers will be governed by this admitting policy and the approved Bylaws of the Lincoln Hospital District #3 (LHD) Medical Staff.
2. All patients admitted to LHD will be asked about the existence of an Advance Directive or POLST upon admit. Information will be provided to patients about Advance Directives or POLST and end of life care per request.
3. LHD providers provide support to help patients understand their medical bills and to provide financial assistance up to and including Charity Care, where appropriate. This information contained within Admission Packet. Patient may request a Charity Care application upon request.
4. LHD's Notice of Privacy Practices is offered to all patients upon admission and is available upon request.
5. Each patient shall sign *Consent for Treatment* form prior to admission or treatment.
6. All patients admitted to LHD3 will be offered information about their rights and responsibilities as a patient.
7. Patients admitted on an emergency basis who do not have a primary care provider or who do not indicate a preference for a specific provider will be assigned to an on call provider the day of admission.
8. An active member of the Medical Staff will be responsible for the care and treatment of each patient in the hospital, for the prompt completeness and accuracy of the medical record, for necessary special instructions and for transmitting reports of the condition of the patient to the referring Provider.
9. It shall be the responsibility of the attending provider to pre admits surgical patients within a reasonable length of time to complete all pre-surgical information, including financial arrangements.
10. Patients will be admitted to the hospital with a provisional diagnosis or a valid reason for admission. In the case of emergency, such information will be recorded as soon as possible after admission.
11. If any question as to the medical necessity of an admission should arise, a final decision will be made by the Utilization Review Committee, after consultation with the attending Provider or, if one and the same, then another privileged Provider.
12. Providers who admit patients are responsible to give such information as may be necessary to assure the protection of the patient from self harm and to assure the

- protection of others whenever his or her patient might be a source of danger from any cause.
13. The hospital will admit patients suffering from all types of diseases, except in cases where facilities and/or personnel are insufficient to provide adequate or proper care.
 14. Allied Health practitioners (i.e. Dentists, Podiatrists, ARNP and PAC) with appropriate clinical privileges may admit patients under the care of an active Medical Staff member. Allied health Practitioners may perform the admitting physical examination and history with the active member of the Medical Staff assuming care and co-signing the admit physical and history.
