

## RFI N22787 HELMS Q&A

### Amendment #2

#### Questions from Optional Vendor Conference

The purpose of this amendment is to address questions posed by potential responders to this RFI from the optional vendor conference. Although the question and answer period does not end until June 30, 2017, DOH is providing this Q&A at this time to keep potential responders up to date on this RFI.

If additional questions are received by June 30<sup>th</sup>, DOH will post another amendment with our responses.

(Question and Answer numbering below are a continuation of the numbering in Amendment #1)

**Q4:** Will the presentation be available on WEBS?

**A4:** Yes. It will be available on WEBS and the [DOH.wa.gov](http://DOH.wa.gov) HELMS website.

**Q5:** Are you open to receiving cost estimate ranges, if we can't put exact amounts on the response?

**A5:** Yes

**Q6:** Will you be contracting directly with the Prime respondent, or working through a reseller?

**A6:** We anticipate contracting directly with the Prime respondent.

**Q7:** Do you have a Local Vendor Preference policy?

**A7:** No

**Q8:** Will you be incorporating the vendor feedback into the RFP?

**A8:** Yes, to the extent that vendor feedback influences modifications to our requirements.
