## Statewide WIC Facts 2010<sup>1</sup>

### 316,133 pregnant and breastfeeding women and children under age 5 benefit from WIC

- 65% are from working families.
- 15,388 are from military families, including women serving in the armed forces.
- Families receive healthy foods, education and counseling on nutrition and physical activity, referrals, and breastfeeding support.

### \$120 million in grocery store sales

- Each client receives checks to purchase an average of \$52 a month in healthy foods.
- Families buy healthy food with their WIC checks at more than 739 grocery stores statewide.

### \$743,722 in purchases from local farmers

- With WIC Farmers Market Nutrition Program checks, families can eat more fresh fruits and vegetables from local farmers.

### 85% of WIC mothers give their child a healthy start by breastfeeding, far exceeding the national rate of 68%.<sup>2</sup>

- Children who are not breastfed are more likely to have asthma, diabetes, and childhood obesity.<sup>3</sup>
- Mothers who breastfeed lose pregnancy weight gain more quickly.
- Mothers who do not breastfeed have higher rates of breast cancer and osteoporosis.<sup>3</sup>

### In the past 30 years, Washington WIC has contributed more than \$1 billion in grocery sales and saved an estimated \$700 million in health care costs.<sup>4</sup>
