

Compliance Rates For Reports That Were Due July 1, 2009

The Consumer Confidence Report regulation is a federal and state requirement. The Washington State Department of Health Office of Drinking Water (ODW) has reporting obligations to the federal Environmental Protection Agency (EPA) and gives EPA the names of systems that did not submit a report to ODW by July 1, 2009.

The following is a summary of the compliance rates for data reporting year 2008 reports that were due to system customers and DOH by July 1, 2009 (data as of December 31, 2009). These statistics reflect compliance rates for the distribution of the report only. The names of systems that did not submit a report to the state are listed under Non-compliant systems.

Distribution Compliance Rates	Number
Total number of all water systems in Washington State (approximate)	17,063
Group A community systems required to comply with CCR regulation	2,236
Total reports received	2,163
Total reports not received	73
Total state population (approximate)	6,668,000
Population served by Group A community systems (approximate)	5,767,145
Population served by Group A community systems that received a report (approximate)	5,757,184
Population served by Group A community systems that did not receive a report	9,961
