

## Compliance Rates For Reports That Were Due July 1, 2010

The Consumer Confidence Report regulation is a federal and state requirement. The Washington State Department of Health Office of Drinking Water (ODW) has reporting obligations to the federal Environmental Protection Agency (EPA) and gives EPA the names of systems that did not submit a report to ODW by July 1, 2010.

The following is a summary of the compliance rates for data reporting year 2009 reports that were due to system customers and DOH by July 1, 2010 (data as of December 31, 2010). These statistics reflect compliance rates for the distribution of the report only. The names of systems that did not submit a report to the state are listed under Non-compliant systems.

Distribution Compliance Rates	Number
Total number of all water systems in Washington State (approximate)	17,190
Group A community systems required to comply with CCR regulation	2,226
Total reports received	2167
Total reports not received	59
Total state population (approximate)	6,733,250
Population served by Group A community systems (approximate)	5,798,627
Population served by Group A community systems that received a report (approximate)	5,774,972
Population served by Group A community systems that did <b>not</b> receive a report	23,655
