

Is this true for **your** practice?

I always have enough time and resources to help my patients be their healthiest!

It's easy and fast to coordinate ancillary and specialty care for our patients!

My patients always find it easy to do what's best for their health!

No?! Then we need to hear from you!

Saturday, May 21 8am - 1:30 pm
Aberdeen - Location to be Determined

We invite you to spend a morning with your colleagues, giving us your ideas about what changes could be made to improve health in our community and among the patients you serve.

*Co-hosted by Grays Harbor Community Hospital physicians
Rob McCauley and Yassine Benis*

Sponsored by
Grays Harbor Community Hospital &
Grays Harbor Public Health and Social Services
on behalf of our joint
Community Health Improvement Task Force.
