KEVIN BARRY: DIRECTOR OF PUBLIC HEALTH

January 20, 2009

To Whom It May Concern:

Klickitat County Health Department wishes to amend E2SSB 5930 work plan as follows:

PM #3 second activity listed to read:

Klickitat County will partner with Head Start and Kindergarten classes in White Salmon and Goldendale to implement the “Color Me Healthy” curriculum. Impact measures will include parental pre and post surveys and student BMI tracking over time.

PM #3 second to the last to read:

Klickitat County will be a leader in conducting county wide health assessments relating to chronic disease prevention.

PM #3 last activity to read:

Klickitat County HD will initiate discussions with Food Band coordinators to explore potential policy changes which will positively impact the quality of foods provided local recipients.

Staff changes and current interest and activity warrants these amendments.
