

5930 Work Plan Template Consolidated Contract Deliverable

LHJ Name: Okanogan County Public Health
Date: April 20, 2010
LHJ Work Plan Contact:

Due: February 15, 2010
Send to: tiffany.escott@doh.wa.gov
FAX (360) 586-7424

Performance Measure #1 – Increase the uptake of new and under-used child and adolescent vaccines; specifically focusing improvement efforts and reporting on Varicella, Rota Virus, HPV and pediatric influenza.

Reporting Measure

A: Number of doses of vaccine ordered by each LHJ

B: Number of doses administered as recorded in CHILD Profile

PM#	Objectives / Strategies	Action
1	Continue to improve child immunization rates in OK County by providing annual 1 day training to all clinic immunization coordinators, including Colville Tribal Health Clinic and IHS clinic	Retain PHN (1FTE) Meeting scheduled for 4/29/2010 at OCPH
1	Ongoing attendance at school nurse meetings to provide information and vaccine updates on new and under-used vaccines	Contact list of all school nurses maintained
1	Keep under used child and adolescent vaccines on the minds of school superintendents and school boards by attending at least one meeting in each district to provide data on their school immunization rates	Meeting schedules/contact numbers to get on agenda

Performance Measure #2 – Improve the timely, complete identification and standard, effective investigation of notifiable conditions per WAC 246-101.

Reporting Measure

A: Percent of notifiable condition cases reported to the LHJ within the required timeframe (per WAC)

B: Percent of notifiable condition cases reported to the LHJ where investigation was initiated within the timeframe specified in the Guidelines

C: Percent of notifiable condition cases reported to the LHJ with a completed investigation as indicated by completion of “essential fields”

PM#	Objectives / Strategies	Action
2	Continue to improve on disease investigation initiation and timeframe guidelines per WAC by visiting each clinic to discuss guidelines with designated CD staff and medical providers	Retain CD PHN (1 FTE) PHN will visit each clinic and hospital to discuss updates on reporting, timeliness
2	Improve CD staff knowledge in disease investigation and guidelines by continuing education opportunities such as Epi Roadshow attendance, iLinc sessions	CD PHN will demonstrate knowledge of guidelines by improving timeliness of completed investigation and PHIMS data entry ----
2	CD PHN will continue to stay current on PHIMS/PHRED by data improvements in entry, timeliness, completed essential fields	PHN will participate in PHIMS updates
2		
2		

Performance Measure #3 – Develop and implement effective community and health care system interventions to address obesity and its consequent burden of chronic disease. Interventions may target worksites, schools, communities, or primary medical care.

Reporting Measure

A: Number and description of LHJ activities and interventions to address obesity or chronic disease and association risk factors in the community.

PM#	Activity	Resources
3	Attend Community Wellness Coalition meetings	Look for increasing partnerships with schools, community organizations, to provide expertise.
3	Promote worksite wellness programs by participating in health fair at Nespelem Co-op in April 2010 to encourage private businesses to initiate employee wellness programs and incentives	Staff wellness booth, present example of OCPH wellness program
3	Actively participate in other county health fairs to promote chronic disease prevention and physical activity	OK County has numerous community fairs throughout the year. OCPH will attend at least 4
3	Support and participate in "Winter Wellness" community program	Outreach efforts, including media outlets, which promote community wellness participating
