

5930 Work Plan Consolidated Contract Deliverable

LHJ Name: San Juan Co. Health & Community Services Due: February 15, 2010
 Date: April 19, 2010 Send to: tiffany.escott@doh.wa.gov
 LHJ Work Plan Contact: JoAnne Campbell FAX (360) 586-7424

Performance Measure #1 – Increase the uptake of new and under-used child and adolescent vaccines; specifically focusing improvement efforts and reporting on Varicella, Rota Virus, HPV and pediatric influenza.

Reporting Measure

A: Number of doses of vaccine ordered by each LHJ
B: Number of doses administered as recorded in CHILD Profile

PM#	Objectives / Strategies	Action
1	Assure provider knowledge and understanding of the goal to improve the immunization status of children: <ul style="list-style-type: none"> • Provide annual education visits to VFC providers to review currently recommended schedules, including low uptake vaccines, and identify strategies to increase usage. • Provide periodic information updates for VFC providers 	<ul style="list-style-type: none"> • Maintain increased PHN time 0.10 FTE. • Distribute periodic information updates through newsletter to Immunization Coordinators. • Obtain updated training DVDs from CDC and notify how to access CDC webcast presentations
1	Enhance utilization of CHILD Profile by VFC providers: <ul style="list-style-type: none"> • Assess provider comfort in CIPR input of vaccinations • Encourage provider use of the forecast module with each pediatric patient visit 	<ul style="list-style-type: none"> • Provide additional data entry training as needed. • Explain usefulness of forecast module with each well child visit and with sports physical exams.

Performance Measure #2 – Improve the timely, complete identification and standard, effective investigation of notifiable conditions per WAC 246-101.

Reporting Measure

A: Percent of notifiable condition cases reported to the LHJ within the required timeframe (per WAC)
B: Percent of notifiable condition cases reported to the LHJ where investigation was initiated within the timeframe specified in the Guidelines
C: Percent of notifiable condition cases reported to the LHJ with a completed investigation as indicated by completion of “essential fields”

PM#	Objectives / Strategies	Action
2	2-A/B Provide phone outreach to providers when lab reports of NC are received to assure prompt reporting is achieved and investigation is initiated.	<ul style="list-style-type: none"> • Maintain 0.10 FTE of PHN disease investigator • Provide NC Report forms and Reporting Guidelines to gain assistance from providers with our reporting needs and improve their knowledge of disease control methods.
2	2-C Conduct an in-house training on the policy for timely and complete case investigation.	<ul style="list-style-type: none"> • Review, revise (if necessary) distribute and discuss policy with staff
