FAX (360) 586-7424

Performance Measure #1 – Increase the uptake of new and under-used child and adolescent vaccines; specifically focusing improvement efforts and reporting on Varicella, Rota Virus, HPV and Pediatric Influenza.

Reporting Measure

- A:** Number of doses of vaccine ordered by each LHJ
- B:** Number of doses administered as recorded in CHILD Profile

PM#	Objectives / Strategies	Action
1	Visit every provider in the county that uses state supplied vaccine at least 1x this calendar year to provide education and training on CHILD Profile and recruit / improve their participation.	RN - 0.25 FTE
1	Work with providers to incorporate the use of the reminder / recall portion of CHILD Profile to increase child vaccine timeliness and administration	Contact providers and help them implement reminder/recall activities.
1		
1		

Performance Measure #2 – Improve the timely, complete identification and standard, effective investigation of notifiable conditions per WAC 246-101.

Reporting Measure

- A:** Percent of notifiable condition cases reported to the LHJ within the required timeframe (per WAC)
- B:** Percent of notifiable condition cases reported to the LHJ where investigation was initiated within the timeframe specified in the Guidelines
- C:** Percent of notifiable condition cases reported to the LHJ with a completed investigation as indicated by completion of “essential fields”

PM#	Objectives / Strategies	Action
2	Fund staff; send to CD and PHIMs training; familiarize them with 2002 guidelines in PHIM; focus contact investigation and follow-up with every CD case.	0.75 FTE of disease investigator
2	Conduct an in-house training on the policy for timely and complete case investigation	----
2		
2		

Performance Measure #3 – Develop and implement effective community and health care system interventions to address obesity and its consequent burden of chronic disease. Interventions may target worksites, schools, communities, or primary medical care.

Reporting Measure

- A:** Number and description of LHJ activities and interventions to address obesity or chronic disease and association risk factors in the community.

PM#	Activity	Resources
3	Work with one school district to implement the BMI/Healthy Weight plan component of the 5,4,3,2,1 Let’s Go Lin Co program developed in partnership with Davenport School District. This includes collecting health and weight measurements of kids k – 6 th grade and providing BMI and current health status reports to parents.	.25 FTE
