

5930 Work Plan Template for Calendar Year 2012

Consolidated Contract Deliverable
Add rows to each table as needed

LHJ Name: San Juan County Health & Comm Srv
Date: April 6th, 2012
LHJ Work Plan Contact: Susan Leff

Due: April 6, 2012
Send to: simana.dimitrova@doh.wa.gov
FAX (360) 378-7036

Performance Measure #1 – Increase the uptake of new and under-used child and adolescent vaccines; specifically focusing improvement efforts and reporting on Varicella, Rota Virus, HPV and Pediatric Influenza.

Reporting Measure

A: Number of doses of vaccine ordered by each LHJ

B: Number of doses administered as recorded in CHILD Profile

PM#	Objectives / Strategies	Action
1	Increase provider knowledge of immunization guidelines and changes in ACIP immunization recommendations	1. Do a quarterly immunization coordinator's update regarding changes in immunization practice 2. Share educational materials for providers particularly the HPV, Varicella, and Rotavirus vaccines
1	Promote immunization compliance with required school immunizations	1. Participate in kindergarten round-up before school entry to review immunizations 2. Outreach to all adolescents regarding adolescent vaccinations via reminder/recall systems or school's email principals press
1	Participate in pre-school and school based pediatric influenza vaccine project	1. Offer pediatric influenza vaccine at all pre-schools and public schools in the county. 2. Promote influenza vaccine at WIC and First Steps clinic visits
1	Increase immunization rates among children in San Juan County	Develop an immunization survey to assess health beliefs regarding immunizations

Performance Measure #2 – Improve the timely, complete identification and standard, effective investigation of notifiable conditions per WAC 246-101.

Reporting Measure

A: Percent of notifiable condition cases reported to the LHJ within the required timeframe (per WAC)

B: Percent of notifiable condition cases reported to the LHJ where investigation was initiated within the timeframe specified in the Guidelines

C: Percent of notifiable condition cases reported to the LHJ with a completed investigation as indicated by completion of "essential fields"

PM#	Objectives / Strategies	Action
2	Conduct an in-house training on timely and complete case investigation	1. Review quarterly all CD cases with staff 2. Develop an on-line policy/procedure manual with sample letters to facilitate case investigations and exposure follow up
2	Outreach to all providers regarding notifiable conditions and time frame for reporting diseases	1. Utilize immunization coordinators newsletter and email to alert providers about outbreaks

Performance Measure #3 – Develop and implement effective community and health care system interventions to address obesity and its consequent burden of chronic disease. Interventions may target worksites, schools, communities, or primary medical care.

Reporting Measure

A: Number and description of LHJ activities and interventions to address obesity or chronic disease and association risk factors in the community.

PM#	Activity	Resources
3	Provide options and encouragement for increased physical activity in our county	1.Participate on Trails committee and bike safety committee 2.Participate in Children’s Fair and SJC Fair to encourage healthy eating and physical activity
