

## 5930 Work Plan Template for Calendar Year 2013

Consolidated Contract Deliverable  
Add rows to each table as needed

LHJ Name: Grays Harbor  
Date: 2/15/13  
LHJ Work Plan Contact: Michelle Balter

Due: February 15, 2013  
Send to: [simana.dimitrova@doh.wa.gov](mailto:simana.dimitrova@doh.wa.gov)  
FAX (360) 586-7424

**Performance Measure #1** – Increase the uptake of new and under-used child and adolescent vaccines; specifically focusing improvement efforts and reporting on Varicella, Rota Virus, HPV and Pediatric Influenza.

**Reporting Measure**

- A:** Number of doses of vaccine ordered by each LHJ
- B:** Number of doses administered as recorded in CHILD Profile

PM#	Objectives / Strategies	Action
1		
1		
1		
1		

**Performance Measure #2** – Improve the timely, complete identification and standard, effective investigation of notifiable conditions per WAC 246-101.

**Reporting Measure**

- A:** Percent of notifiable condition cases reported to the LHJ within the required timeframe (per WAC)
- B:** Percent of notifiable condition cases reported to the LHJ where investigation was initiated within the timeframe specified in the Guidelines
- C:** Percent of notifiable condition cases reported to the LHJ with a completed investigation as indicated by completion of “essential fields”

PM#	Objectives / Strategies	Action
2	Each reportable case of chlamydia, gonorrhea, and syphilis will be investigated and a contact/partner management plan will be developed, including PDPT and EPT.	0.65 FTE Public Health Nurse
2	Reports of all suspected and confirmed notifiable conditions will be received and investigated.	

**Performance Measure #3** – Develop and implement effective community and health care system interventions to address obesity and its consequent burden of chronic disease. Interventions may target worksites, schools, communities, or primary medical care.

**Reporting Measure**

- A:** Number and description of LHJ activities and interventions to address obesity or chronic disease and association risk factors in the community.

PM#	Activity	Resources
3	Two employees will be trained as Master Trainers in the Stanford Chronic Disease Self-Management “Living Well with Chronic Conditions” model.	0.2 FTE Public Health Nurse
3	Two employees will be cross-trained to the diabetes component of the Stanford Chronic Disease Self-Management model	
	The Department will offer a minimum of 2 Stanford Chronic Disease Self-Management “Living Well with Chronic Conditions” 6-week workshops in the community.	
	The Department will offer a minimum of 2 Stanford Chronic Disease Self-Management Diabetes workshops in the community.	
	The Department will offer a minimum of 9 “Conversation Maps” diabetes self-management 4-week workshops in the community.
