Performance Measure #1 – Increase the uptake of new and under-used child and adolescent vaccines; specifically focusing improvement efforts and reporting on Varicella, Rota Virus, HPV and Pediatric Influenza.

Reporting Measure

- A:** Number of doses of vaccine ordered by each LHJ
- B:** Number of doses administered as recorded in CHILD Profile

PM#	Objectives / Strategies	Action
1	Visit every provider in the county that uses state supplied vaccine at least 1x this calendar year to provide education and training on CHILD Profile and recruit / improve their participation.	Staff will continue to provide hands-on assistance with utilization of WA state Immunization information system
1	Encourage providers to follow ACIP recommendations including administration for ALL recommended vaccines including but not limited to 2 nd dose Varicella, Rotovirus, HPV for male and female, and all children 6 months and older for flu vaccine	Encouragement will be ongoing with monthly reports reviewed generating phone calls, emails, and/or visits as appropriate.

1		

Performance Measure #2 – Improve the timely, complete identification and standard, effective investigation of notifiable conditions per WAC 246-101.

Reporting Measure

- A:** Percent of notifiable condition cases reported to the LHJ within the required timeframe (per WAC)
- B:** Percent of notifiable condition cases reported to the LHJ where investigation was initiated within the timeframe specified in the Guidelines
- C:** Percent of notifiable condition cases reported to the LHJ with a completed investigation as indicated by completion of “essential fields”

PM#	Objectives / Strategies	Action
2	Fund staff to investigate; attend CD and PHIMs trainings; familiarize them with 2002 guidelines in PHIMs; and continue to focus on partner investigation and treatment with every Chlamydia/Gonorrhea case.	1.5 FTE of disease investigator
2	Continue to develop in-house policies and trainings to improve timely and complete case investigations	Increase our percentage of timely reported notifiable conditions ----
2	Outreach to providers/labs to encourage and educate them in timeliness of reporting communicable diseases	Continue to educate and update providers on importance of timely reporting
2		

Performance Measure #3 – Develop and implement effective community and health care system interventions to address obesity and its consequent burden of chronic disease. Interventions may target worksites, schools, communities, or primary medical care.

Reporting Measure

- A:** Number and description of LHJ activities and interventions to address obesity or chronic disease and association risk factors in the community.

PM#	Activity	Resources
3	Work with staff from Skagit Council of Governments (SCOG) who oversees the transportation planning to make sure all four primary cities	Staff (Director) will continue to meet and work with SCOG with

	are working on a complete streets plan/process in 2013.	the goal of one more city completing Complete Streets resolution in 2013.
3	Work with Skagit County Activity Coalition (quarterly meetings) on projects to improve trail connectivity in Skagit County	Staff (Director) will continue to be an active member of coalition with the goal of two more primary trails getting connected to main grid in 2013.
3	Offer support outside of the primary funding for Healthy Communities project work to help augment the projects that are underfunded but need political pressure and support.	Staff (Director) will work as needed to get the political support to make Healthy Communities viable.
