

# 2011 Draft QI Plan - LCDF funds

- **Task/Activity Description** - Develop and submit a **draft** quality improvement plan based on the results of the standards review. The plan should include areas to be improved and strategies to achieve success.
- **Deliverable** - Submission of draft quality improvement plan.
- **Due Date** - September 30, 2011

# Plan elements

- What are the areas that need improvement? (Include which standard and/or measure)
- What activities or strategies need to be implemented to demonstrate success?
- Who will take the lead on implementing these activities?
- What is your timeframe for improving each area?
