DEPARTMENT OF HEALTH

RE: LETTER OF INTENT

Dear Karen Nidermayer:

In accordance with WAC 246-310-080, Suncrest Health Services plans to request certificate of need approval to open a Medicare and Medicaid outpatient hospice agency.

1. Description of Proposed Services:

Advancement from this life to the next should be both dignified and comfortable; allowing patients to spend precious time with loved ones in the comfort of their own place of residence. Suncrest Hospice aims to treat the symptoms of the disease process, rather than focusing on halting, delaying, or curing the illness. Suncrest Hospice brings this treatment to patients through qualified and compassionate physicians, nurses, aides, social workers, spiritual advisors, and volunteers. Our team is passionately committed to make patients comfortable while at the same time providing necessary support to family members.

2. Estimated Cost of the Project:

Estimated Capital Expenditures are \$300,000

3. The Service area is:

King County

Thank you for your attention to this matter. If you have any questions, please do not hesitate to call me directly at 801-706-6610, or at scott@suncrestcare.com.

Sincerely,

Scott Perucca
