CERTIFICATE OF NEED PROGRAM
DEPARTMENT OF HEALTH

Dear Ms. Sigman,

The purpose of this letter is to notify the Department of Health that ADMA Healthcare, Inc. intends to seek Certificate of Need approval to establish a Medicare-certified home health agency to serve the citizens of King County, Washington.

Upon receipt of a Certificate of Need, and with referral of the clients' physicians, ADMA Healthcare will provide nursing and rehabilitation services to homebound residents of King County.

We have estimated a capital cost of \$50,000.00, which will be funded by ADMA Healthcare, Inc. We look forward to hearing from you.

Regards,

Dapo Amosun, President
