Dear Ms. Sigman:

In accordance with WAC 246-310-080, Washington Center for Pain Management PLLC proposes to establish and operate its existing two operating room surgical center as a free-standing ambulatory surgical center ("ASC"). Washington Center for Pain Management PLLC has historically operated its surgical center as a certificate of need exempt facility.

In conformance with WAC 246-310-080, the following information is provided:

1. A Description of the Extent of Services Proposed

Washington Center for Pain Management PLLC proposes to establish and operate its existing two operating room surgical center as a free-standing ASC.

2. Estimated Cost of the Proposed Project

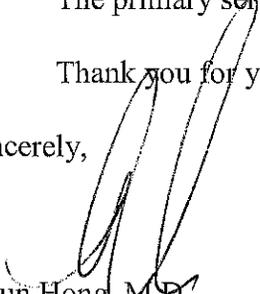

The estimated capital expenditure is \$181,047.75.

3. Description of the Services Area

The primary services area will be the East King Secondary Health Services planning area.

Thank you for your interest in this matter. Please contact me directly with any questions.

Sincerely,

Hyun Hong, M.D.
