Dear Ms. Sigman:

In accordance with WAV 246-310-080, Total Renal Care, Inc., parent company DaVita HealthCare Partners, Inc. (DaVita), hereby submits a letter of intent to apply for a certificate of need to relocate eleven (11) stations from its existing twenty-one (21) station Parkland Dialysis Center, within Pierce County planning area Sub Service Area Five (5). Under WAC 246-310-289, the relocation of these stations within the same ESRD planning area will establish a new dialysis facility. In conformance with the requirements of WAC 246-310-080, the following information is provided:

A Description of the Services Proposed:

DaVita intends to relocate eleven (11) of the twenty-one (21) stations currently authorized at the Parkland Dialysis Center to establish a new eleven (11) station dialysis facility that will provide and support in-center, home hemodialysis and peritoneal dialysis.

Estimated Cost of the Proposed Project:

The capital expenditure associated with this project is estimated to be **\$1,291,261**.

Description of the Service Area:

The service area will be Pierce County ESRD planning area Sub Service Area Five (5).

We look forward to continuing to serve dialysis patients in Washington.

Sincerely,

Kathryn R. Cullen
Director of Special Projects
DaVita HealthCare Partners, Inc.
