As a result, and in accordance with WAC 246-310-080, the New Company submits this Letter of Intent and provides the following information:

A Description of the Services Proposed:

The New Company proposes to establish a new forty-four (44) station dialysis facility that will provide and support in-center hemodialysis, home hemodialysis and peritoneal dialysis.

Estimated Cost of the Proposed Project:

The capital expenditure associated with this project is estimated to be **\$5,448,343**.

Description of the Service Area:

The service area will be the Pierce County ESRD Planning Area, Sub Planning Area Five (5).

We look forward to continuing to serve dialysis patients in Washington.

Sincerely,

Kathryn Cullen
