Policy:

The public hospital district complies with the Reproductive Privacy Act and the hospital licensing regulations regarding policies on reproductive health care. The Reproductive Privacy Act requires a public hospital district that elects to provide maternity care benefits, services or information through a program administered or funded by the public hospital district, to also provide substantially equivalent pregnancy termination benefits, services or information. The hospital licensing regulations require a hospital to post on its website a copy of its reproductive health care policies.

The public hospital district does not provide maternity care benefits, services or information or pregnancy termination benefits, services or information.
