

Auburn Crest Hospice

Fostering Relationships to Personalize your Care

September 5, 2012

To whom it may concern:

It is the intent of Auburn Crest Hospice, provider # 131559, to expand into the State of Washington. We plan to seek approval to serve Asotin County as a Hospice provider from our branch in Lewiston, Idaho, as the cities of Lewiston and Clarkston, Washington are in such close proximity. Auburn Crest Hospice is currently accredited by the Joint Commission and is providing services as a deemed status Hospice. Our intent would be to follow suit in Washington State.

The capital expenditure we would anticipate for this project would be \$50,000.00. This cost would be the furnishings and equipment for the new branch office.

We are very excited to provide our wonderful service to the residents of the State of Washington. Please feel free to contact me with any questions. I can be reached by email rbmalm@ashleycares.com, by mail at PO BOX 1176 Meridian, ID 83680, or by phone at 208-713-9254. Thank you in advance for your consideration of this matter.

Respectfully,

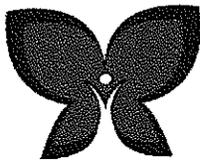

Richard Malm
