Rulemaking

The Department of Health's (department) Office of Community Health Systems officially filed a CR-101 with the Office of the Code Reviser on Dec. 3, 2013, WSR 13-24-106, to open WAC 246-976-420: Trauma Registry – Department responsibilities and WAC 246-976-430 Trauma Registry – Provider responsibilities.

The trauma registry rules define department and provider responsibilities regarding the state's trauma registry. These rules have been opened to consider updating the trauma registry requirements. The intent is to collect the most relevant data on trauma injuries and to improve the quality, quantity, efficiency, and effectiveness of the data collection system.
