Master Case No. M2015-937

1.3 The Statement of Charges alleges that on July 6, 2015, the Virginia Board of Medicine entered an Order revoking Respondent's license to practice as a physician in that jurisdiction. The Virginia Board of Medicine Order revoking Respondent's license found that Respondent committed numerous violations, including:

- Dr. Hagmann authorized and allowed training course participants to perform invasive medical procedures on each other and that those procedures were not undertaken or provided in good faith for medicinal or therapeutic purposes.
- Those procedures were undocumented and were not performed under adequate or appropriate sterile conditions.
- Dr. Hagmann authorized or allowed course participants to administer to or inject each other or themselves with controlled substances and legend drugs in isolation, in combination, and in combination with alcohol in order to assess the effects of these substances on their cognition.
- Dr. Hagmann dispensed controlled substances without being properly licensed to do so, and he failed to maintain a dispensing log for medications.
- Dr. Hagmann failed to obtain adequate or appropriate consents from course participants who were transitioned into treatment as patients.
- Dr. Hagmann performed procedures while under the influence of alcohol.
- Dr. Hagmann exploited course participants for personal gain and sexual gratification.

1.4 The Ex Parte Motion was accompanied by a sworn Declaration of Health Care Investigator in Support of Motion for Summary Action and a certified copy of the Virginia Medical Board Order.

1.5 The basis for the Virginia Board Order dated July 6, 2015, is substantially similar to conduct addressed in RCW 18.130.180(1), (4), (6), (10), (23), and (24).

## II. CONCLUSIONS OF LAW

2.1 The Commission has jurisdiction over Respondent's license to practice as a physician and surgeon. RCW 18.130.040.

2.2 The Commission has delegated summary action authority to the presiding officer in cases falling under RCW 18.130.370.

2.3 RCW 18.130.180 defines unprofessional conduct as including:

- (5) Suspension, revocation, or restriction of the individual's license to practice any health care profession by competent authority in any state, federal, or foreign jurisdiction, a certified copy of the order, stipulation, or agreement being conclusive evidence of the revocation, suspension, or restriction.

RCW 18.130.370 states:

Any individual who applies for a license or temporary practice permit or holds a license or temporary practice permit and is prohibited from practicing a health care profession in another state because of an act of unprofessional conduct that is substantially equivalent to an act of unprofessional conduct prohibited by this chapter or any of the chapters specified in RCW 18.130.040 is prohibited from practicing a health care profession in this state until proceedings of the appropriate disciplining authority have been completed under RCW 18.130.050.

RCW 18.130.050(8) provides, in relevant part:

Consistent with RCW 18.130.370, a disciplining authority shall issue a summary suspension of the license or temporary practice permit of a license holder prohibited from practicing a health care profession in another state, federal, or foreign jurisdiction because of an act of unprofessional conduct that is substantially equivalent to an act of unprofessional conduct prohibited by this chapter or any of the chapters specified in RCW 18.130.040. The summary suspension remains in effect until proceedings by the Washington disciplining authority have been completed.

2.4 Under the Virginia Medical Board Order, Respondent is prohibited from practicing as a physician in the state of Virginia. The basis for the action is substantially similar to RCW 18.130.180(1), (4), (6), (10), (23), and (24), which permits the Commission to discipline a physician who engages in unprofessional conduct.

2.5 Summary suspension pending further proceedings is mandatory in cases where a respondent is prohibited from practicing in another state or foreign jurisdiction because of conduct that is substantially equivalent to an act of unprofessional conduct under Washington statute or regulation. A lesser restrictive alternative is not available. The Findings of Fact establish that the requested summary action is necessary, and legislatively mandated to protect the public health, safety, or welfare.

### III. ORDER

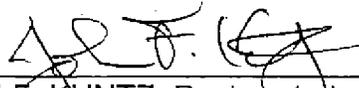

3.1 Based on the Findings of Fact and the Conclusions of Law, it is ORDERED that Respondent's license to practice as a physician and surgeon is SUMMARILY SUSPENDED pending further disciplinary proceedings by the Commission. Respondent shall immediately deliver all licenses (including wall, display, and/or wallet, if any) to the Commission.

3.2 It is HEREBY ORDERED that a protective order in this case is GRANTED. All healthcare information and non-conviction data contained in the Ex Parte Motion, Declaration, and attached exhibits shall not be released except as provided in chapter 70.02 RCW, chapter 10.97 RCW; RCW 34.05.446(1); and WAC 246-11-400(2) and (5). The Protective Order prohibits the release of health care information outside these proceedings. Unless required by law, anyone involved in these proceedings must

keep confidential and not disclose health care information obtained through these proceedings. Health care information includes information in any form "that identifies or can readily be associated with the identity of a patient and directly relates to the patient's health care." RCW 70.02.010. The parties may share the information with their attorney, if any.

Dated this 14<sup>th</sup> day of August, 2015.
