

Open public meeting at the Department of Health in Kent, WA Friday, June 13 at 9:00 a.m.

We are holding a public workshop for the physician assistant (PA) rules being considered by the Medical Quality Assurance Commission and the Board of Osteopathic Medicine and Surgery. This is an open public meeting and we encourage your participation. We will present and discuss some draft language at this open public meeting.

The meeting will begin at 9:00 a.m. at the Department of Health in Kent.

To learn more about this rulemaking project, please visit the PA rules advisory committee [Web Page](#).
