Second Notice

Notice of Recruitment
April 2015

The Department of Health (DOH) is currently accepting applications to fill upcoming
vacancies on the Washington State Medical Quality Assurance Commission (commission).
The commission helps make sure physicians and physician assistants are competent and
provide quality medical care.

We are looking for people willing to study the issues and make decisions in the best interest
of the public. Our member selection reflects the diversity of the profession and provides
representation throughout the state. The commission has openings for:

- One physician representing Congressional District 2
- One physician representing Congressional District 4
- One physician representing Congressional District 10
- One physician at large
- Two public members

To determine what congressional district you live in, please visit this web site.

The commission consists of 21 members appointed by the governor. It meets about eight
times a year, usually on Thursday and Friday every six weeks. There is an expectation to
review multiple disciplinary cases between meetings, and additional meetings or hearings
are often necessary. Additional information regarding commission membership and a link
to the governor’s application are found here.

Please take the time to review the valuable information on commission membership
available at the above website. Applications, along with a current resume must be received
by May 15, 2015.

If you have any questions about serving on the commission, please contact Julie Kitten,
Operations Manager, at Post Office Box 47866, Olympia, Washington 98504-7866, by
