Purpose

The purpose of this rulemaking is to implement Substitute House Bill 2017, which transfers the master business licensing program from Department of Licensing to Department of Revenue. We must update our rule to be consistent with the statute.

Past Issues and Activities

On October 13, 2011, Governor Chris Gregoire signed an executive order extending the state's moratorium on non-critical rule making through December 31, 2012.

Next Steps

The department has decided to suspend rule development for this revision until January 1, 2013.
