

A person is walking on a wide, flat beach under a vast sky filled with large, white, fluffy clouds. The sun is shining brightly, creating a lens flare effect in the upper center of the image. The beach is dark and reflective, mirroring the sky and the person. The horizon is low, showing a distant coastline.

ODE TO SHELLFISH

OYSTERS -

BITE O' SEA SO DELICIOUS

SAVORY, WHOLESOME, AND NUTRITIOUS

BUT WHEN POLLUTION'S IN THE BAY

INTO YOU THE OYSTERS DO CONVEY.

THEN YOU'LL ACHE AND GRIMLY SAY

I WISH I'D LET THOSE OYSTERS LAY.

POLLUTION THUS BLIGHTS ECONOMICS

OF SHELLFISH COMMERCE GASTRONOMICS.

SO, IF YOU SLURP THE OYSTER SHOOTERS

SHARPEN YOUR SENSES FOR POLLUTERS

AND PLACE YOURSELF AMONG THE PLOTTERS

OF THE WAYS TO PROTECT BAY WATERS.
