Subject: Notifiable Conditions Reporting

Attachments: Lab Director's Letter 9-21-16 and Lab Reporting Poster

Dear Colleagues,

I am sending you a letter and a poster from the Washington State Department of Health about **Notifiable Conditions Reporting**. This is a reminder about the requirements for notifiable conditions reporting in Washington State and a poster for your use as you see fit in your laboratory. I appreciate all your help in making our notifiable conditions reporting system stronger and as always, if you have any questions or concerns please feel free to contact me.

Scott
