Re: Department of Health (DOH) RFQQ N21027 Amendment #2: Solicitation Cancellation

Dear Contractor(s):

This letter confirms the cancellation of RFQQ N21027. DOH determined that the Solicitation was unnecessarily restrictive. DOH would like to increase availability of this opportunity to the vendor community. We will rework and repost the RFQQ solicitation document soon. If you previously received notification of this RFQQ through WEBS, or another site, you will need to download the new RFQQ from WEBS when posted.

The solicitation will be officially cancelled from WEBS on 03/05/2015, with the new RFQQ being posted soon thereafter.

If you have any questions regarding the cancellation of the RFQQ, please feel free to contact the Solicitation Coordinator at: Frank.Webley@doh.wa.gov.

Thank you for supporting public health in Washington State.

Sincerely,

Frank L. Webley, Contract Specialist 3
