Youth Suicide Prevention Program

SOLE SOURCE AWARD N21271

The Washington State Department of Health (DOH), Injury and Violence Prevention Program contemplates awarding a sole source contract to Youth Suicide Prevention Program for the period of July 1, 2015 - June 30, 2017 to perform local and statewide activities for Youth Suicide Prevention, and to assist Washington State Department of Health in meeting goals and objectives of Washington State's Strategic Plan for Youth Suicide Prevention. DOH reserves the right to amend the contract in whatever increments it deems necessary. The estimated value of the contract is \$233,000 (\$116,500 per fiscal year).

Required knowledge and experience: The entity must have a working knowledge of youth suicide prevention. The entity must have experience in the following:

- Community engagement and involvement in helping prevent suicides of youth in local communities.
- Working with targeted communities to help build understanding of the issue of youth suicide and increase local capacity to address the problem.
- Ability to partner with state and local agencies, schools, professional associations, and survivors of suicide groups formed in local communities.
- Training local communities on suicide prevention through group classes, or one-on-one.
- Coordinating and facilitating training classes.
- Knowledge of suicide, best practices for suicide prevention, and evaluation.

Not later than **5:00 pm, Tuesday, June 9, 2015 Pacific Daylight Savings Time**, interested persons must email capability statements, with the following information, to the contact person below:

- Individual name(s) and title(s) of staff
- Education and training (level and nature)
- Detail in support of the required knowledge and experience as they relate to the work to be performed and years involved

In the absence of other qualified sources, it is the state's intent to make a sole source award of this contract to the above-mentioned contractor.
