

# 2010 -2011 Standards Review Cycle

**MARNI MASON AND DIANE ALTMAN DAUTOFF**  
**M CPP HEALTHCARE CONSULTING**  
**MAY 10, 2010**

# Scope of Review

2

- **2010-2011 Standards for Public Health in Washington State (required set)**
  - Revised PHAB standards that align with prior WA standards, plus 8 WA measures that are not part of PHAB
- **“Optional” PHAB measures that have not been part of WA standards:**
  - 22 measures that LHJs may choose to be reviewed against in order to prepare for PHAB voluntary accreditation
- **3 Programs selected from LHJ Program Review Table**
  - Review LHJ Program Review Table

# Schedule for LHJ Site Reviews

3

- All sites must submit documentation for at least 60% of the required measures. Date TBD
- Most of the document review will be done off-site, starting in February 2011
- Site visits will be conducted to all participating LHJs between March and May 2011 to:
  - Review additional documentation
  - Conduct scheduled interviews
  - Conduct needed observations

# Preparation for Review Cycle Training

4

- **Web-based training sessions– discuss method for conducting “Mock Review” as part of webinars**
- **Suggestion that several earlier training sessions be offered in July/August 2011. (6-7 months before document submittal)**
- **Rest of training sessions scheduled for Oct/Nov 2011, as in the past. (3-4 months before document submittal)**
- **Decide on training timeframes**
