Washington State Annual TB Educational Conference

The 2013 Annual State TB Conference will be held at the Tacoma/Pierce County Health Department.

This year's **Keynote Address** will be given by Dr. Michael Kimerling of the Bill and Melinda Gates Foundation.

Also presenting will be:

Tara Wildes, Chief, Jacksonville Florida Sheriff's Office
And
Dr. Sundari Mase from the Centers for Disease Control

You may attend at the main meeting site in Tacoma or you have the option of viewing through video conference at one of the Eastern Washington locations (Benton-Franklin Health District or Spokane Regional Health District). You may also participate by iLinc.

CMEs/CEUs will be provided through the Curry International Tuberculosis Center for those participating in-person or by video conference.

We hope that you, our partners in the elimination of TB, are able to attend.
