2. SCHOOL PROGRAM REVIEW

Ananda Massage Training – 510-hour licensing program

A special meeting was called to discuss the approval of Ananda Massage Training's 510-hour licensing program. The program was approved in September 2013. It was recently discovered that the Workforce Training Board certificate provided by Ananda with the application for board approval of a 510-hour licensing program was actually a Workforce Training Board certificate for a 517-hour bilingual licensing program at a different location.

The board motioned and approved to withdraw approval of Ananda’s 510-hour licensing program. The board must receive the required documentation for review before approval can be granted.

3. ADJOURNMENT – The meeting was adjourned by Nancy Allen, LMP, Chair, at 9:28 a.m.
