

CDC “You Call the Shots” Training Modules Guide

Updated 4-13-15

1. Go to the CDC’s “You Call the Shots” main page – <http://www.cdc.gov/vaccines/ed/youcalltheshots.htm>
2. Go to the “**Vaccines for Children**” Module - <http://www2a.cdc.gov/nip/isd/ycts/mod1/courses/vfc/ce.asp>. Read and follow the directions and proceed with taking that course.
3. **AFTER** viewing the course, go to [CDC’s online learning system](#) link to register, take the test and obtain CE credit. General instructions are available in the [CE How-to Guide](#).
4. Go to the “**Storage and Handling**” Module - <http://www2a.cdc.gov/nip/isd/ycts/mod1/courses/sh/ce.asp>. Read and follow the directions and proceed with taking that course.
5. **AFTER** viewing the course, go to [CDC’s online learning system](#) link to register, take the test and obtain CE credit. General instructions are available in the [CE How-to Guide](#).
6. NOTE: Not all CE credits are equal; the CE credit you receive will depend on your title or license and which CE you choose. This is covered in the “CE How-to-Guide” in # 5 above.

The screenshot shows the CDC Vaccines and Immunizations website. A sidebar on the left contains a navigation menu with categories like 'Immunization Schedules', 'Recommendations and Guidelines', and 'Vaccines & Preventable Diseases'. The main content area is titled 'You Call The Shots Web-based Training Course'. A red box labeled '2nd' points to a section titled 'Need Continuing Education or a Certificate of Participation?' which contains instructions on how to register for CE credit. Another red box labeled '1st' points to a section titled 'Now Available' which lists four training modules: MMR JAN 2015, Influenza JAN 2015, Vaccines For Children (VFC)-2015 JAN 2015, and Vaccine Storage and Handling-2015 JAN 2015. A separate red box with an arrow points to the 'Vaccines for Children' module in this list, with the text '1st Take these two courses'.
