Skyward Instructions for the Department of Health Annual Preschool Immunization Status Report Export

The Washington State Department of Health can now accept the **School Age** and **Preschool Immunization Status** reports through emailing of a comma separated value (.csv) export file to a designated email address.

In WESPaC you can create the file and save it to a location of your choice. You then use your email to send it to DOH. Below are instructions to create and save the file.

1. Create the report:

2. Clone the Skyward template: Required School Immunization Status Report:

Preschool Im	munization Status	av Skyward Templates		101	1 0

The *report* is generated and will be available in your Print Queue when it is finished. At the same time, the *export file* is <u>also</u> created and will be available by accessing the View/Save Locally Preschool Immunization Status menu path below.

4. To access the export file and save it to a location of your choice, go to: Student Management\Office\HR\VA\RE\SR\PE

5. Highlight the file you just created and click View.
