

2016 CHW Conference Highlights

In June 2016, over 100 Community Health Workers (CHWs) in Washington State enjoyed a day of networking and learning at the CHW Conference in Olympia. We worked with partners to plan and lead activities and learning sessions for the conference. We provided travel awards so CHWs from all over the state could attend.

To showcase the great work CHWs do, we videotaped the conference. Many CHWs passionately told their story of why they love their work.

The **2017 CHW Conference: *United for Better Health*** will be at the Red Lion Hotel in Pasco, WA April 7, 2017. Follow this link to register: <http://hcwcommunityhealthworker.org/training-registration>

If you are interested in having a free exhibitor table at the 2017 CHW conference or being a sponsor, please contact the CHW Program or call 360-236-3717.
