FFY15 = October 1, 2014 through September 30, 2015

¹**Women, Infants and Children Served** - The number of participants in WIC during FFY15. A client is counted only once even if they were in multiple categories during the FFY. Please note we used a new method to improve the accuracy of the client count. Previous year counts included duplicate clients. Because of this method change direct comparisons between this report and previous years should not be made.

²**Total Food Dollars Redeemed** - This includes all food purchased with WIC checks, including fresh fruits and vegetables, but does not include WIC Farmers Market Nutrition Program (FMNP) dollars, which is a separate grant.

³**Total Food Dollars for Fresh Fruits and Vegetables only** - Fresh fruit and vegetable dollars are a subset of Total WIC Food Dollars redeemed. Neither include FMNP dollars.

⁴**Total Food Dollars for WIC Farmers Market Nutrition Program** - Includes dollars spent at authorized farmers markets and farm stores, does not include other WIC dollars. This total also does not include \$3,416 that was manually processed and not linked to a specific clinic. Redemption period is between June to October 2015.

This report is based on the location of the WIC clinic where participants were seen at and where the WIC checks were issued.

* No WIC clinics in the district participated in the FMNP

** There are no WIC Clinics located in the District

USDA is an equal opportunity provider and employer.

Washington State WIC Nutrition Program does not discriminate.
