

## **School Module Workgroup Purpose and Goals**

The purpose of the School Module Workgroup is to assist the Department of Health to roll out the School Module in 2014-2015 School Year.

Workgroup goals for 2012-13:

- 1) Determine if the School Module meets the business needs of schools for tracking student immunizations
- 2) Identify and work on policy issues related to the use of the Module
- 3) Determine necessary modifications to the Module
- 4) Identify a rollout strategy for the Module to school staff
