

School Module External Workgroup Exploring the School Module

User Commitment: About 2 hours to explore the IIS School Module functions in our Development & Test system

User Activities:

- Follow set of defined actions to see each SM function
- Spend time exploring functions
- Provide feedback

Timeline:

Sunday	Monday	Tuesday	Wednesday	Thursday	Friday	Saturday
				3/28 Workgroup Meeting	3/29	3/30
3/31	4/1	4/2	4/3	4/4	4/5	4/6
DOH configures workgroup accounts in the IIS						
4/7	4/8	4/9	4/10	4/11	4/12	4/13
DOH sends account information and instructions to workgroup						
4/14	4/15	4/16	4/17	4/18	4/19	4/20
Workgroup members explore SM and provide feedback						
4/21	4/22	4/23	4/24	4/25 Workgroup Meeting	4/26	4/27

User Requirements:

- Current user account in the IIS. This needs to be at least a view account. An Annual Report Only account will not work.
- Sign a Confidentiality Agreement. We will send this to you.
