General Vaccine Ordering Update:

The attached "orders shipped," file includes shipping data for the week of 1/30/2012.

Short Dated FluMist Supply – 2011-2012 Influenza Season:

The remaining inventory of FluMist at McKesson will expire on February 19. McKesson will not ship any FluMist vaccine after Monday, February 6. CDC has instructed McKesson not to ship flu vaccine that is within two weeks of expiration. Online vaccine ordering for FluMist will be turned off today at 4:00 p.m. We will monitor all outstanding orders for FluMist and contact you for any additional follow-up.

We encourage LHJs and providers to continue to order flu vaccine from the State Childhood Vaccine Program as flu disease activity starts in Washington. We have plenty of vaccine available in multiple presentations.
