Phil Anderson, Interim Director  
Washington State Department of Fish and Wildlife  
600 Capitol Way North  
Olympia, Washington 98501-1091

Dear Director Anderson:

I am writing to request you appoint a member and alternate member to represent the Department of Fish and Wildlife on the Pesticide Incident Reporting and Tracking Review (PIRT) Panel. The PIRT Panel is established under RCW 70.104 and the Department of Fish and Wildlife is specifically designated as a member of the PIRT Panel in this statute (RCW 70.104.080).

Bridget Moran had been the department's appointment member to the PIRT Panel up until the time she left the department earlier in 2009. The Panel would very much like to see the representation of the Department of Fish and Wildlife re-established and would appreciate your follow-up to appoint an appropriate member and alternate member in the near future.

Thank you for your consideration of this request. If you or your staff have any questions regarding the PIRT Panel, please do not hesitate to call me at 360-236-3050.

Sincerely,

Gregg L. Grunenfelder, Assistant Secretary  
Department of Health  
PIRT Chairman
