

Public Workshops Draft Sewage Tank Rule

Chapter 246-272C WAC: On-site Sewage System Tanks

We are holding two workshops to hear your comments on the draft rule Chapter 246-272C WAC, On-site Sewage System Tanks. This is a new rule that will define sewage tank requirements and replace existing guidance documents. The draft rule text can be found at www.doh.wa.gov/ehp/ts/ww/tanks/tanks-rap.htm.

Written comments on the draft rule will be accepted through April 17, 2009. Submit comments to:
