

School Environmental Health & Safety Fall 2009 Workshops

The Washington State Department of Health invites local health jurisdictions and school personnel—maintenance and operations staff, custodians, nurses, risk managers, and administrators to a **free** workshop designed to provide current information on school environmental health and safety issues. Clock hours and CEUs are available. Plan to bring your own light refreshments and lunch, or eat lunch nearby.

Topics

- Infectious Disease Control in Schools
 - Norovirus, Influenza, MRSA
 - All Hazards/Pan Flu Planning
 - Cleaning/Disinfection
 - Personal Hygiene/Handwashing/Hand Sanitizers
 - Ventilation/Filtration
- Health Department School EH&S Plan Review
- Changes to the Building Codes
- AED Guidance—WASBO Risk Managers
- State Board of Health Rule Revision Status
- IAQ Monitoring Stations Status
- Emerging Environmental Health and Safety Issues in Schools
- New ASHRAE/EPA IAQ Design, Commissioning, & Operation Guidance
- K12 Health & Safety Guide Updates

Nov. 17 – Bremerton, [OESD 114*](#)

*You may arrange for K20 Video Conferencing from these locations—see below.

Registration opens August 3, 2009

In-Person Attendee

Go to Washington Public Health Training Network (WAPHTN) site www3.doh.wa.gov/waphtn/class.asp and select the workshop you plan to attend. Follow the online instructions for registering. If you haven't registered through WAPHTN before, it will take you through the steps of entering your contact information. Contact WAPHTN at 360-236-4081 or waphtn@doh.wa.gov if you have any online registration difficulties.

Email addresses of registered attendees will be used to send updates on the workshops. Prior to the workshop, materials will be available to download at www.doh.wa.gov/ehp/ts/School/wkshops.htm.

K20 Video Conferencing Attendee

Do not register online through WAPHTN. You need to request that your district K20 coordinator set up the K20 connection in advance by contacting the ESD K20 coordinator for the selected workshop. Send [Nancy Bernard](#) the names, positions, school district, and email address of attendees who will participate remotely. Prior to the workshop, materials will be available to download and print at www.doh.wa.gov/ehp/ts/School/wkshops.htm.

ESD 101 - April Bylsma, 509-323-2780, abylsma@esd101.net

ESD 105 - Lidia Rodriguez, 509-454-3132, lidiar@esd105.wednet.edu
