**Disclaimer:** Some Certificate of Need applicants use a consultant to help prepare their application. The program has compiled a listing of consultants that applicants have used in the past. Department of Health provides the following list as a convenience to you. This listing is not intended to be an exhaustive list of all consultants that work in the area of Certificate of Need. This listing is provided as a public service and does not imply endorsement by the Washington State Department of Health. Any dissatisfaction regarding a consultant's performance is between you and the consultant.
