NOTICE

**CERTIFICATE OF NEED PROGRAM INCREASES MINIMUM DOLLAR
THRESHOLD FOR NURSING HOME PROJECTS**

The Certificate of Need Program is increasing the minimum dollar threshold for nursing home projects. The new dollar amount is \$2,249,377 million. This change is effective for calendar year 2009.

The program used the United State Census Bureau, Seasonally Adjusted Rates-Building Construction Cost Data to make this change. The United States Department of Commerce Composite Construction Cost Index previously used to make this change is no longer published. This information is now collected by the U.S. Census Bureau.

If you have questions, contact the Certificate of Need Program at (360) 236-2955.
