

5930 Work Plan Template Consolidated Contract Deliverable

LHJ Name: Klickitat County Health Department
Date: February 11, 2010
LHJ Work Plan Contact: Jane Palmer

Due: February 15, 2010
Send to: tiffany.escott@doh.wa.gov
FAX (360) 586-7424

Performance Measure #1 – Increase the uptake of new and under-used child and adolescent vaccines; specifically focusing improvement efforts and reporting on Varicella, Rota Virus, HPV and pediatric influenza.

Reporting Measure

A: Number of doses of vaccine ordered by each LHJ

B: Number of doses administered as recorded in CHILD Profile

PM#	Objectives / Strategies	Action
1	Visit local VFC provider groups at least once to provide update on immunization information and as needed with new staffs	Develop presentation Arrange dates for presentation
1	Provide training and support for schools not currently using CHILD Profile, but desiring to do so.	Contact outlying schools, offer support/training/mentoring Provide resource materials as indicated
1	Increase awareness on importance of childhood influenza vaccinations	Arrange “family flu shot” clinic days @ packing house, orchard, Roosevelt, proceeded w/fliers in community Provide PSA to Spanish language radio station

Performance Measure #2 – Improve the timely, complete identification and standard, effective investigation of notifiable conditions per WAC 246-101.

Reporting Measure

A: Percent of notifiable condition cases reported to the LHJ within the required timeframe (per WAC)

B: Percent of notifiable condition cases reported to the LHJ where investigation was initiated within the timeframe specified in the Guidelines

C: Percent of notifiable condition cases reported to the LHJ with a completed investigation as indicated by completion of “essential fields”

PM#	Objectives / Strategies	Action
2	Visit local providers/labs to update/reinforce CD reporting requirements	Contact each provider/lab set appt.
2	Provide local Reportable Disease Guideline book to partners	Update and distribute book to all partners
2	Keep new local providers informed of CD reporting, contacts and local information	Maintain regular contact with partners Read local newspapers regularly to identify when new providers come to this area Send “Welcome” letter to each new provider with appropriate info

Performance Measure #3 – Develop and implement effective community and health care system interventions to address obesity and its consequent burden of chronic disease. Interventions may target worksites, schools, communities, or primary medical care.

Reporting Measure

A: Number and description of LHJ activities and interventions to address obesity or chronic disease and association risk factors in the community.

PM#	Activity	Resources
3	Maintain K.C. Healthy People Alliance	Community partner lists Designated staff person HPA minutes & documents
3	Continue implementation of ACHIEVE Community Action Plan steps as previously developed including but not limited to: increase public awareness of chronic disease risk community gardens, employee wellness initiatives, increasing opportunities for physical activity and increased consumption of fresh fruits/vegetables and breast feeding	ACHIEVE project resources Partner agencies WIC program Potential grants
