RE: Alternate Use Bed Banking #20-09

Dear Mr. Heishman:

This letter is a follow up to our March 20, 2020, letter approving the alternate use bed banking under Revised Code of Washington (RCW) 70.38 111(9) for 15 beds at St. Francis of Bellingham.

The Certificate of Need Program received a copy of the revised nursing home license from Department of Social and Health Services. The revised license identifies that the 15 beds were removed from the nursing home license on March 27, 2020. As a result, St. Francis of Bellingham is currently licensed for 105 beds and has 15 beds banked.

As stated in the March 20, 2020, letter, the 15 beds are banked for a total of four years; the bed banking on these 15 beds will expire on April 3, 2024.

If you have any questions concerning bed banking, please call me at (360) 236-2955.

Sincerely,

Eric Hernandez, Manager  
Certificate of Need Program
